Welcome home to 1221 Gannett Road in the Bentley Park neighborhood. The convenience of this location truly cannot be beat. You are just minutes away from Downtown Charleston, I-526, Shem Creek, shopping, dining and the beaches. Step inside to discover a bright and open floor plan. To the left of the entryway is a light-filled dining room that flows seamlessly into the cook's kitchen. Designed for both daily life and exceptional entertaining, the kitchen features an abundance of cabinetry, quartz countertops with glass tile backsplash, stainless steel appliances including double ovens, gas cooktop with vent hood, microwave, dishwasher, an oversized center island with seating for four, and a butler's pantry with custom shelving joining the kitchen with the dining room. The kitchen is open to the great room. This floorpan has a fantastic layout for entertaining. The owner's suite is conveniently located on the main level. The ensuite bathroom boasts a separate tiled shower, relaxing soaking tub, a private water closet, tile floor and dual sink vanity with quartz countertops plus a linen closet. The spacious walk-in closet features custom shelving. A guest powder room with pedestal sink completes the first floor. The staircase to the second floor is highlighted by iron railings and a two story ceiling. As you approach the second floor, you will find a
