SMYTHE LAKE WATERFRONT...This custom-built home offers the perfect blend of comfort, style, and flexibility in one of the area's most desirable locations. Featuring 6 spacious bedrooms and a flexible floor plan designed to fit a variety of lifestyles, the home is filled with bright, inviting spaces and stunning lake views. Overlooking the sparkling waters of Smythe Lake, the property captures breathtaking scenery and beautiful natural light from multiple rooms and outdoor living spaces. Enjoy peaceful mornings with shimmering water views and unforgettable evening sunsets reflecting across the lake. Just steps from neighborhood favorites like Concert in the Park, the setting creates a rare combination of tranquility and community, making this home truly special. The updated kitchen is both functional and elegant, ideal for everyday living and entertaining alike. Freshly painted interiors and new light fixtures add a modern touch, while large windows fill the home with abundant natural light. Thoughtfully designed with quality craftsmanship and timeless appeal, this bright and welcoming home offers exceptional living in an unforgettable lakefront setting. Extra features include an oversized garage with storage room, several interior storage closets, elevator ready, backyard fence, triple floor porches, built-in natural gas grill, 4 zone central air and
