**\$1,250,000**

**4 Bedrooms | 3 Bathrooms | 2,550 Sqft**

Stunning custom residence with community boat landing and winding creek behind the home that opens directly to the Intracoastal. A rare blend of private living and effortless coastal access. Step inside an intelligently designed floor plan offering sunlit living spaces and chef's kitchen with stone countertops and professional appliances. This beautiful home is as practical as it is picturesque built by one of Charleston's premier builders, Meredith Projects. His work has been featured in *l'on* in Mt. Pleasant and New Point on Lady's Island, Beaufort. Secluded private lot is minutes to shopping, schools, and parks. The location is perfect for launching kayaks or paddleboards. This rare find is productive with fruit trees and water access.
