Behind the gates of Dunes West, a vibrant collection of coastal inspired homes collectively known as "The Harbour" is situated between the banks of the Wando River and Wagner Creek. This enclave of gorgeous homes offers everything needed to embrace a true Lowcountry Lifestyle! You'll feel immediate coastal vibes approaching 1435 Masthead Drive with its muted blue exterior and classic stacked piazzas. A double entry door welcomes you into a spacious foyer that hints at the custom features found throughout: beautiful hardwood floors, upgraded trim such as crown moulding and tall baseboards and custom plantation shutters throughout the front of the home. The foyer opens to a home office/study that has been outfitted with custom built-ins. A dual desk offers the perfect solution for working from home or an ideal homework station for children. You can easily create a private and quiet room thanks to the sliding barn doors finished in shiplap. Just beyond the study is a formal dining room, perfect for hosting holiday and special occasion dinners or ideal for use as a Cocktail Lounge, the latest trend in home design and entertainment! The floorplan flows into an open and spacious family room which features a focal point gas fireplace flanked by built-in cabinetry for storage and display space. Perfect for entertaining as well as everyday
