The backyard you've been waiting for! This home offers a functional floor plan and the most dreamy outdoor spaces. Inside, a formal dining room leads to a bright, sunny living room with fireplace. The spacious kitchen features ample counter and cabinet space, pantry, and extra storage. A half bath and laundry room complete the main floor. Upstairs, the primary retreat boasts a vaulted ceiling, huge walk-in closet, and ensuite bath with shower and garden tub. Guest bedrooms with spacious closets share a hall bath. Relax on the screened porch and patio beneath a stunning live oak draped in Spanish moss overlooking your backyard haven. Whitehall amenities include a pool, park, and tennis courts -- all within walking or biking distance to local shops, restaurants, and soon to be new Starbucks!
