Welcome to 1423 Swamp Fox Lane in desirable Jamestown Village. This beautifully maintained 3-bedroom, 2.5-bath home is move-in ready. The renovated kitchen features quartz countertops, white cabinetry, and oversized storage drawers. Crown molding and a fireplace enhance the downstairs living space. The first-floor primary suite offers a walk-in closet and dual-sink bath. Upstairs are two spacious bedrooms with a Jack-and-Jill bath, attic storage access, and a convenient laundry room. Major updates include a new roof (2026), HVAC (2021), and water heater (2024). Enjoy a private fenced backyard with new sod, irrigation, outdoor lighting, and a detached 2-car garage. Ideally located on James Island between the charm of downtown Charleston and the sandy shores of Folly Beach.
