The West Ashley Townhome that keeps on GIVING! Let's start off with the fact that this FOUR bedroom and four FULL bath home, has one of the lowest HOA costs of any attached home you will find, period! That's immediate savings for you from day one. Built in 2019, the home is in IMMACULATE condition, saving you even more on costly repairs associated with older units. Once inside, you will quickly see everything this home offers, from the welcoming foyer with a custom built-in entry cabinet, to the sparkling floors and gorgeous stairway treads. Making your way up, you will find the open floor plan on the main/middle level complete with lots of natural light, kitchen island, tons of counter space, stainless steel appliances, a LARGE pantry, spacious eat-in dining, AND a cozy screened in balcony overlooking your own private backyard...And the giving is just getting started folks!! Before heading up to the top level, you have a well-appointed bedroom right next to the first of FOUR full baths! On the third floor is the primary bedroom with tray ceiling, windows facing the private wooded lot and a LARGE modern en-suite with tile floors, two separate vanities, shower/tub combo, and walk-in closet...Amazing! The THIRD bedroom is on the front side of this level, providing privacy to both bedrooms and located right beside the third full bath. Before
