5 Bedrooms | 5 Bathrooms | 3,116 Sqft

A rare opportunity knocks! Total square footage is 3578, House is 3116 sq ft and FROG is 462 sq ft. Built in 2019 and ideally situated just one home from a quiet cul-de-sac with a POOL, 2609 Daniel Island Drive offers an exceptional combination of privacy, an open floorplan, flexibility, and outdoor living. Backing to wooded wetlands with no homes directly behind, this property enjoys a peaceful natural setting that is increasingly difficult to find. This thoughtfully designed property and floorplan flows nicely and features a sunroom and screened in porch overlooking your backyard. This home offers a good sized driveway to fit your cars and your guests. The main home offers 4 bedrooms and 4 full bath including a spacious guest suite with a full bath on the main level, which is good for multigenerational living. Also on the first floor is a dedicated office that could easily function as a formal dining room, playroom, or flex space to fit your lifestyle. Custom carpentry throughout the home adds warmth, character, and craftsmanship. Designed for both everyday living and entertaining, the open floor plan flows seamlessly to the outdoor living spaces. The backyard is a true Lowcountry retreat featuring a beautiful pool (that has an automatic safety cover with keypad), wooded views, and an outdoor kitchen area perfect for hosting family and friends year-
