Searching For A Boat Slip On Highly Desirable Store Creek? Your search ends here. This exceptional property offers the opportunity you've been waiting for, combining luxury, functionality, and outdoor living on a beautifully landscaped 1.26-acre home site. Built in 2019, this custom 4-bedroom, 3-bath home offers approximately 2,422 square feet of thoughtfully designed living space, plus a versatile loft approximately 300 sq. ft. perfect for additional sleeping accommodations, a home office, or a hobby room. The ground level features substantial partially finished space complete with windows, doors, electrical service, HVAC, and finished ceilings, providing endless possibilities for expansion, storage, recreation, or workshop space. A welcoming double wood-and-glass front door opens into the spacious great room featuring a dramatic vaulted ceiling and an open-concept design. The kitchen serves as the heart of the home, separated from the living area by a large island accented with three stylish pendant lights. Designed for both beauty and function, the kitchen features quartz countertops, tile backsplash, soft-close cabinetry and drawers, a four-burner gas range/electric oven with exhaust hood, large single-bowl stainless farmhouse sink, drawer microwave, double trash cabinet, built-in work desk, and tile flooring.
