A Private Retreat Among the Trees: Tucked beneath majestic Live Oaks draped in Spanish moss and stately palmettos, this one-owner Edisto Beach home offers a rare sense of privacy and natural beauty. Set on a heavily wooded lot with undeveloped parcels on both sides, the property feels like a quiet coastal retreat where deer, birds, and native wildlife move freely through the landscape. Inside, the home features a spacious primary suite that occupies one side of the home and includes a large walk-in closet and ensuite bath with a relaxing jetted tub and separate shower. Just beyond, the fully enclosed sunroom creates an additional living area that can be enjoyed year-round. Whether you're gathering with friends for evening cocktails, enjoying a quiet conversation, or watching deer and other wildlife wander through the backyard, this space offers a front-row seat to the natural beauty that surrounds the home. The heart of the home is the vaulted family room, which flows into a generously sized kitchen offering abundant cabinetry, extensive counter space, and plenty of room for gathering, entertaining, and making memories. A convenient wet bar and beverage refrigerator make hosting friends, family gatherings, and game nights effortless. On the opposite side of the home, two guest bedrooms share a full bath, providing comfort and
