\$165,000

2 Bedrooms | 2 Bathrooms | 1,148 Sqft

Step into contemporary elegance with this stunning end-unit condo, perfectly nestled amidst nature's embrace. Boasting 2 spacious bedrooms and 2 luxurious bathrooms, this residence offers an open floor plan drenched in natural light. The sleek, modern kitchen is a culinary dream, featuring state-of-the-art stainless steel appliances and exquisite wooden cabinetry, seamlessly flowing into a softly lit dining area. Enjoy the tranquility of a screened-in porch that overlooks a serene pond, or savor morning coffee on the private balcony extending from your bedroom, offering views of lush greenery. The living area is a haven of comfort with light wood flooring, a sophisticated black fireplace, and smooth ceilings adorned with a ceiling fan. Experience ultimate privacy with this unit's prime position, away from bustling streets yet minutes from Naval Weapon Station and 526.
