3 Bedrooms | 2 Bathrooms | 1,260 Sqft

Bring your BOAT and RV. COUNTRY LIVING AT ITS FINEST WITH A BEAUTIFUL Private wooded lot JUST UNDER AN ACRE!! Welcome to this beautifully crafted one-story Craftsman home situated on nearly an acre in desirable Johns Island. Offering 3 bedrooms and 2 full bathrooms across 1,260 square feet, this turn-key property blends timeless design with modern comfort. A beautiful front porch sets the tone, providing the perfect spot to relax and enjoy the peaceful surroundings. Step inside to find rich hardwood floors, soaring 9-foot ceilings, and upgraded 8-foot doors that create an open, airy feel throughout. The kitchen features granite countertops and flows seamlessly into the main living space--perfect for both everyday living and entertaining. Outside, the property truly shines. Surrounded by mature trees, this expansive lot offers privacy and room to enjoy the Lowcountry lifestyle. A detached one-car garage and separate shed provide ample storage for vehicles, tools, or recreational gear. With no HOA and located in an X flood zone, you'll have the freedom and peace of mind that's increasingly hard to find. Whether you're looking for a primary residence, second home, or investment opportunity, this property checks all the boxes. Don't miss your chance to own a slice of Johns Island--where space, charm, and convenience come
