Welcome to 3011 Scuba Drive, a beautifully refreshed home situated on a desirable pond-front homesite in one of Charleston's most convenient locations. With fresh updates throughout and flexible living spaces, this home is move-in ready and offers room for everyone. The heart of the home is the stunning kitchen, which was fully renovated in 2024 and offers a fresh, modern design that is perfect for both everyday living and entertaining. The entire interior was professionally painted in June 2026, and brand-new carpet was installed throughout, giving the home a clean, updated feel. Major system upgrades include a high-end HVAC system featuring three separate zones for enhanced comfort and efficiency, as well as a tankless water heater that provides endless hot water while reducing energy costs. The spacious floor plan offers four bedrooms, including a unique third-floor bonus room that serves as the fourth bedroom. Previously used as a home theater, this versatile space includes a closet and can easily function as a bedroom, media room, playroom, home office, or flex space. Theater materials have been left behind, allowing the next owner to reinstall the tiered theater seating if desired. Enjoy peaceful pond views from your backyard and take advantage of the home's thoughtful updates, flexible layout, and major mechanical
