Welcome home to this charming James Island retreat, where comfort, character and functionality come together beautifully. This inviting 3-BR, 2-BA residence features refinished hardwood floors, laminate hardwood floors, freshly painted walls throughout, updated kitchen and bathrooms and new roof. The family room is complete with a sunken den, gas fireplace, built in shelving and wet bar. Step up into the kitchen and eat in breakfast area with views overlooking the backyard retreat. There is a separate laundry room with extra cabinets and folding space/storage. This home is set up for relaxation and entertaining, the backyard features a cozy outdoor living area complete with an outdoor kitchen, 16x16 main shed with a lean-to on three sides, perfect for hosting family and friends year round. Garden enthusiasts will appreciate the dedicated garden space, convenient storage lean-to, and separate garden shed, providing ample room for tools, equipment and hobbies. The property backs up to an easement providing added privacy and a peaceful natural buffer with no immediate rear neighbors. Double driveway for ample parking for your boat, cars and golf cart. Gates on both sides of the house for easy access and storage in the backyard. NO HOA! Whether you're enjoying a quiet evening outdoors or entertaining guests, this home offers the
