Welcome to your James Island oasis! Located at 1144 Wyndham Road, this charming 3-bedroom, 1.5-bath home perfectly blends comfort and convenience, just minutes from historic Charleston and Folly Beach. Step inside to find gorgeous hardwood floors spanning the main living spaces. The bright kitchen boasts beautifully updated cabinetry and an effortless flow. At the back of the home, a versatile flex space opens up endless possibilities for a home office, playroom, or cozy den. Practicality meets style with a large, dedicated laundry room and two separate side entrances--one off the kitchen and another from the flex space. Best of all, you are just steps from the brand-new waterfront park, perfect for kayaking or taking in stunning lowcountry views. Don't miss this James Island gem.
