Right in the middle of everything! You can zip downtown in 7 miles OR drive to Folly Beach in 7 miles. Don't miss your chance to enjoy single story living in this cozy 2 BR 2 BA home in highly sought out area of James Island. From easy care floors, to efficient kitchen layout, this unit has it all. Both bedrooms are large enough for a king size bed and both bedrooms have their own private bath. The spacious dining room is located on the front of the house while the Great Room (with Fireplace) is on the back side of the house, overlooking a wonderfully private shaded backyard with direct access to much loved neighborhood walking trails. If you're up for a game of tennis, just walk to the courts and join in the fun. Extremely convenient location close to shopping, dining, medical, etc
