**\$375,000**

**3 Bedrooms | 1 Bathroom | 925 Sqft**

Adorable, well maintained home with tons of upgrades and close to everything! During the sellers' ownership, they've enhanced the outdoor living space by adding a privacy fence, creating a welcoming patio with a hot tub, adding a useful and good looking shed and planting garden beds. Indoors they've created a library and reading nook in the hallway. The three bedrooms and one bath can be configured in a multitude of ways to create sleeping, office or guest spaces. This solid brick ranch truly makes use of every inch of square footage. Schedule your showing today!
