Welcome to 1581 Cultivation Lane in Liberty Hill Farm, where elevated coastal living meets thoughtful design and exceptional craftsmanship. Stunning curb appeal invites you with beautiful landscaping, a charming front porch and entryway that sets the stage for this lovely home. Situated on a coveted corner lot with tranquil wooded and walking trail views in the front and overlooks a meticulously landscaped yard in the back. This pristine 4-bedroom, 3.5-bath home offers 2,700 square feet of living space. Featuring dual owner's suites, an elevator servicing all levels, and a spacious 3-car garage with workshop space, this home is designed for both comfort and convenience. The open-concept floor plan showcases a gourmet kitchen with an oversized island, bright dining area, inviting living space that seamlessly flows to a screened porch creating the perfect blend of indoor and outdoor living. Multiple porches provide ideal spaces to relax and enjoy the Lowcountry lifestyle, while custom closets, upgraded fixtures, and quality finishes throughout elevate the home's appeal. The second level offers flexibility and privacy with three spacious bedrooms, including a luxurious primary suite featuring its own screened porch and custom walk-in closet. The two additional bedrooms, share easy access to a full bath, creating a comfortable layout for multi-generational
