3 Bedrooms | 2 Bathrooms | 1,600 Sqft

Wow! What a gem! This adorable home has had a facelift and you're going to love it! And, it's in the ORANGE GROVE ELEMENTARY attendance zone!! Hardwood floors all redone! NEW baths! Tile in kitchen and baths. New Doors and hardware, new Refrigerator and Stove! New lighting and ceiling fans throughout the house! Freshly painted inside and out! This great home offers such great living spaces. A large living rm/dining rm combo, family room right off the kitchen with a huge old Charleston brick fireplace. A gameroom, playroom, office, extra bedroom, whatever you need, is just off the kitchen and newly finished with new LVP flooring, paint and lighting. Out the backdoor you have a deck and off the back deck is a private little screened porch that has a covered walkway to it! Gorgeous and fully fenced with privacy fence. Newer roof and HVAC. TWO driveways for your cars or boat!! HUGE workshop with power! and a metal roof! Easy access to both highways 526 and 26 and a quick drive to downtown! This house is too good to pass up! Hurry before it's gone!
