Loaded with potential and offered by its original owner, this well-loved home has been cared for by the same family since it was built about 1961. Now it's ready for a new owner to make it their own. Priced accordingly to reflect the updates and improvements many buyers may choose to make, this property presents an excellent opportunity to add value and create your ideal space. The spacious lot offers ample room for parking multiple vehicles, boats, RVs, or other recreational equipment. Best of all, there is no HOA, providing the freedom and flexibility that many buyers are seeking.
