Superb livability + walkability! This gated One Belle Hall condo has 2 bedrooms, 2 full baths + flex sunroom/office space, balcony/porch, AND a 1-car GARAGE + extra parking. Quaintly tucked amid trees just behind central Mt Pleasant's Belle Hall Shopping complex, it is literally just steps from everything you need - full grocery, deli, restaurants, shops & salons, gym, more! Fast easy access to main roads, 15-ish minutes to beaches, downtown Charleston, airport. Clever floor plan feels open & roomy, with well-integrated, nicely appointed kitchen, and a bright office/flex space through adjacent French doors. Both BRs have walk-in closets, in-suite bath access. One bath also opens to hall for guest powder room duty. Quiet by design, and the top (3rd) floor means additional privacy, as well!
