\$265,000

3 Bedrooms | 1.5 Bathrooms | 1,036 Sqft

Welcome to 111 Duncan Ct, where charm meets modern comfort in this beautifully updated all-brick home. Nestled on a quiet cul-de-sac, this residence offers tranquility and privacy, with no HOA restrictions to consider. Step inside to find a sun-drenched, open-plan living area featuring stunning light wood flooring and a striking dark green accent wall, paired with ceiling fans to keep the space comfortable year-round. The contemporary kitchen shines with stylish dark blue cabinets, stainless steel appliances, and a window boasting picturesque views of the lush backyard--a perfect setting for culinary creativity. With three bright bedrooms and 1.5 updated baths, there's ample space for relaxation and personal retreat. Additional highlights include a single-car garage, large closet spaces, and a low-maintenance, fenced-in yard perfect for enjoying the outdoors. Move-in-ready and crafted for ease and enjoyment.
