\$1,025,000

5 Bedrooms | 3.5 Bathrooms | 2,621 Sqft

This home has a total of 3,050 sqft with 2,621 sqft in the main house and 428 sqft in the guest suite over the garage. In addition, there is a partially finished room on the second floor that could add another 200 sqft. This property is all about quality. It is one of Toll Brothers top plans and it has upgrades throughout. This is an exceptional opportunity to purchase a stunning 3-year-old home in one of Charleston's premier developments, Point Hope. This well-maintained 5-bedroom, 3.5-bathroom residence is a perfect option for those looking to invest in a vibrant community. Step inside to find an open and spacious layout featuring wood flooring throughout and abundant natural light. The home boasts numerous upscale upgrades and culinary delights with upgraded cabinets, counter tops, and stainless-steel KitchenAid appliance package that includes a gas burner range. The large living area offers versatile seating arrangements and easy access to the screen porch and fenced yard. Retire to the primary bedroom, which features a luxurious double vanity bathroom equipped with a spacious frameless glass shower and a generous walk-in closet with brand new custom shelving. Additional highlights include a rear-access street leading to a two-car detached garage, complete with a private guest suite above. This property's location is
