4 Bedrooms | 3.5 Bathrooms | 3,175 Sqft

The Peachtree at Pineland Preserve offers exceptional living on a beautiful pond homesite. The first-floor primary suite features a stunning boxed ceiling and a spa-like bath with an 8' double shower and frameless glass doors. Enjoy a spacious family room with a gas fireplace, a dedicated home office, elegant dining room with boxed ceiling, and convenient first-floor laundry with a built-in table. Upstairs includes a private guest suite, two additional bedrooms with walk-in closets and a Jack-and-Jill bath, a large open loft, and huge unfinished walk-in storage. Residents enjoy a resort-style pool, playground, scenic walking trails, fiber cement siding, and full irrigation--all included in upscale Pineland Preserve.
