Move-in ready and shows like a model! This beautifully maintained home offers a coastal vibe and an inviting layout that's perfect for entertaining. Tucked away on a quiet cul-de-sac street, it combines comfort, style, and function in every detail. The bright sunroom features walls of windows that open to let in the Lowcountry breeze. The spacious loft and generous closets throughout provide plenty of room for storage, including a walk-in, insulated, and drywalled attic. The office includes custom built-in bookshelves that can easily be removed to create a formal dining room, offering flexibility to fit your lifestyle. The kitchen features a gas stove, added pantry space, and opens seamlessly to the main living area with a gas fireplace--perfect for gathering year-round. A bedroom with its own full bath feels like a private suite, ideal for guests or multi-generational living. With open, airy spaces, thoughtful upgrades, and that true feels like home atmosphere, this property is perfect for those seeking both charm and function. Coastal style, cul-de-sac privacy, and move-in ready perfection this home truly has it all!
