****PARADISE WITH A POOL LARGE LOT SCREENED-IN PORCH FIRE PIT EXTENDED PATIOS FOR ENTERTAINING & GRILLING FENCED-IN BACKYARD SURROUND SOUND WITH MUSIC OUT BACK**** Welcome to your own private backyard paradise, where every detail has been thoughtfully designed for both everyday living and unforgettable entertaining. Nestled on a spacious lot, this home features a beautifully landscaped backyard complete with a heated saltwater pool, extended patios for grilling and gathering, a cozy fire pit, a screened-in porch, and a fully fenced yard. Whether you're hosting friends or enjoying a quiet evening at home, the outdoor surround sound system allows your favorite music to flow seamlessly throughout the backyard, creating the perfect atmosphere. Inside, you'll immediately appreciate the spacious and functional layout. Just off the foyer is a formal dining room, leading into a beautifully designed kitchen that opens to a large family room, making it easy to stay connected while entertaining. The primary suite is conveniently located on the main floor, providing a private retreat from the rest of the home. Upstairs, you'll find a generous loft that's perfect for a second living area, game room, or media space, along with three additional bedrooms. One of the oversized bedrooms is connected by a Jack-and-Jill
