\$199,900

2 Bedrooms | 1 Bathroom | 926 Sqft

This end unit at The Park at Rivers Edge comes with a 270-degree pond view that wraps the second-floor unit in light from every angle -- a rare find in this community. Inside, cathedral ceilings and a wood-burning fireplace anchor the living area, which opens to a kitchen with granite countertops and stainless appliances. Step out back to a screened porch overlooking the pond -- the kind of spot where you'll end up spending more time than planned. Two bedrooms, one bath, 925 square feet, with washer/dryer hookups and attic access for extra convenience. Well maintained and upgraded throughout. The Park at Rivers Edge is a gated community with a guard staffing the entrance 24 hours a day, plus an Olympic-length pool, tennis and pickleball courts, and a clubhouse -- HOA dues cover lawn maintenance, so upkeep isn't on you. Plenty of parking for residents and guests. Minutes from Dorchester Road in North Charleston, with easy access to I-526. This is lock-and-leave living with room to breathe -- gated, green, and quiet enough that you'll forget how close you are to everything.
