\$950,000

6 Bedrooms | 4.5 Bathrooms | 3,415 Sqft

6 Bedroom 4 1/2 Baths. OVER 5 acres, Pool, Sitting on a large pond. THIS IS A DIAMOND in THE ROUGH. One of the first homes built in Moody Plantation. This home could easily be in the \$1.4 to \$1.5 million range. It is got lots of unbelievable features and for someone with the right vision this could be the forever home in a great, gated community close to everything. Overlook the out-of-date carpet and counter tops. Look at the huge opportunity to purchase a home that can build in value. This is a home that has great bones with differed maintenance. I believe before you buy something more expensive this is at least worth a look. Who knows you might be the right person for the right house.
