\$625,000

3 Bedrooms | 2 Bathrooms | 2,112 Sqft

Welcome to this thoughtfully upgraded home in Stono Ferry featuring an open-concept floor plan that is ideal for entertaining, 9ft ceilings & custom finishes throughout. The spacious living area has a gas log fireplace, is highlighted by a dramatic 3 panel sliding glass wall that fills the home with natural light and creates a seamless connection to the covered outdoor living space, overlooking a peaceful pond. Amenities include onsite golf course (membership available/not required), community pool, nearby equestrian center, nearby boat & RV storage facilities. Custom brick & shiplap accent walls add warmth, texture, & distinctive character that set this property apart. The entry is wide & welcoming. An extended garage provides space for larger vehicles, golf cart, workshop or storage. Enjoy tranquil pond views from the main living spaces & backyard, offering a relaxing backdrop throughout the day. While quiet, this community offers lots of opportunities for engagement & proximity Charleston's only steeplechase, historic downtown, Kiawah beach, hospitals, shopping and dining. Cement plank exterior.
