\$435,000

5 Bedrooms | 3.5 Bathrooms | 2,916 Sqft

Nearly 3,000 square feet, a fully paid-off solar system, and major mechanical updates already completed--including a new roof, HVAC system, and water heater (all replaced in 2024)--make this beautifully maintained 5-bedroom, 3.5-bath home an exceptional value. Offering a highly sought-after primary suite on the main level, multiple living areas, an oversized loft with a custom built-in bar and beverage refrigerator, and remarkably low utility costs, this home is designed for both everyday living and entertaining. The open-concept floor plan features a spacious family room with a cozy fireplace that flows seamlessly into the kitchen, complete with granite countertops, stainless steel appliances, abundant cabinetry, and a large breakfast bar. The main-level owner's suite offers a relaxing retreat with dual vanities, a garden tub with shower, and a generous walk-in closet. Upstairs, you'll find four additional bedrooms, two full bathrooms, laundry, and a versatile loft that's perfect for movie nights, game days, hobbies, a second family room, or entertaining guests. Enjoy year-round outdoor living from the screened porch overlooking the fenced backyard. Situated on a corner lot with pond views from the adjacent street, the property offers an open feel and added privacy. One of the home's standout features is the fully paid-off solar system, providing exceptionally low
