\$850,000

3 Bedrooms | 2 Bathrooms | 1,850 Sqft

A true unicorn property offering the perfect blend of privacy, space, and resort-style living. Tucked away on over two fully fenced and gated acres, this beautifully renovated brick ranch offers peace and seclusion that's almost impossible to find. Surrounded by incredible natural beauty, yet conveniently close to everything. Step inside to a three-bedroom, two baths updated home with a durable metal roof and all new appliances, including a brand new refrigerator, range, washer, and dryer. Outdoors, enjoy a spectacular in-ground pool with gazebo, custom outdoor brick fireplace, and a separate brick pizza oven, perfect for entertaining. Car enthusiasts and hobbyists will love the oversized four-car garage plus a fifth climate controlled bay, plus a separate pole barn for extra storage. The grounds are unforgettable, with magnificent 50-year-old azaleas and a mature wisteria arbor that creates a breathtaking display each season. It really is a lifestyle property.
