A wonderful option for both owner-occupants and investors, this move-in-ready home offers stylish updates, functional living spaces, and a convenient West Ashley location. Decorative wall molding adds charm and character to the living and dining areas. The renovated kitchen offers style and functionality with added pantry storage, custom shelving, new cabinetry, an expanded breakfast bar, and stainless steel appliances (range, built-in microwave/range hood, and refrigerator)--all of which convey with the sale. Upstairs, the guest bedroom features a walk-in closet, and an additional linen closet provides convenient hallway storage. The bathroom includes a tub replacement completed approximately three years ago, and the entire home has been freshly painted, creating a clean, move-in-ready feel. The Ring doorbell
