Rare lot. Beautiful water views. Incredible outdoor living. This is the Moss Grove lifestyle you've been waiting for. Situated on a rare 0.41-acre waterfront homesite, this move-in ready home offers the perfect blend of space, privacy, and peaceful lake views. A welcoming front porch shaded by a mature crape myrtle leads inside, where engineered hardwood floors flow throughout the main level. Two flexible front rooms can serve as a home office, dining room, playroom, or second living area. The family room with a cozy fireplace opens to the kitchen, complete with stainless steel appliances and a breakfast bar, making it ideal for everyday living and entertaining. Additional updates include a 2023 roof & HVAC, a new water heater, providing added value and peace of mind. The backyard is the true highlight of this home. Relax year-round on the screened porch while taking in gorgeous sunrise views over the lake, or step outside to enjoy the fully fenced backyard featuring raised garden beds, a storage shed, and plenty of room to play, garden, or simply unwind. Launch your kayak right from your backyard and enjoy peaceful mornings on the water. Lots with this much outdoor space and waterfront access are rarely available in Moss Grove Plantation. Upstairs, the primary suite overlooks the pond and features two closets with one being a large walk in,
