Welcome to 660 Broadmarsh Road where Lowcountry luxury meets waterfront serenity! Nestled on just over 3 private acres overlooking the tranquil tidal waters of Broadmarsh Creek in McClellanville, this custom-built coastal retreat offers the perfect blend of timeless Lowcountry architecture, exceptional craftsmanship, and modern luxury. Thoughtfully designed to embrace its breathtaking surroundings, the home captures expansive marsh views from nearly every room while providing exceptional privacy just minutes from the historic fishing village, two miles from the public boat landing, and a short boat ride to the pristine beaches of Cape Romain. From the moment you arrive, the classic raised coastal design, mature landscaping, and expansive grounds create an unforgettable first impression. Elevated construction provides abundant covered parking and storage below, while the home's elevator offers convenient access to the main living level. For added peace of mind, the property is equipped with a whole-house automatic generator, ensuring uninterrupted comfort year-round. Inside, natural light fills the home through oversized windows and a spectacular triple-panel sliding glass door that seamlessly opens the living room to the expansive screened porch. White oak hardwood floors extend throughout the home, complemented by custom
