Opportunities like this don't come along often! Perfectly positioned in one of West Ashley's most convenient locations, this beautifully maintained two-story townhome offers the ideal blend of modern style, low-maintenance living, and exceptional privacy. Just minutes from Park Circle, Downtown Charleston, area beaches, military bases, shopping, dining, and everyday conveniences, you'll spend less time commuting and more time enjoying everything the Lowcountry has to offer. What truly sets this home apart is its premium homesite backing to a private wooded buffer, one of the few in the community to offer this peaceful backdrop. Enjoy your morning coffee or evening unwind from the extended screened porch featuring beautiful herringbone brick detail, with no rear neighbors looking in. Even better, the backyard can be fenced, a rare and valuable feature that offers flexibility for pets, play, or added privacy. Inside, you'll find the modern finishes today's buyers are searching for, including durable laminate flooring, 42-inch cabinetry, granite countertops, stainless steel appliances, a true gas range, stylish pendant lighting, a large single bowl sink, and elegant crown molding throughout the main living areas. Every space has been thoughtfully maintained, making this home truly move-in ready. An attached two-car garage provides ample storage
