4 Bedrooms | 2 Bathrooms | 2,000 Sqft

Nestled on 24 peaceful acres of rolling countryside, this exceptional home offers the perfect blend of privacy, beauty & rural living. A long driveway leads you to the home, where expansive views of open fields, mature trees & abundant wildlife create a setting that feels like a private retreat. Whether you're enjoying your sweet tea in the screened patio or exploring your own land, every day feels like an escape from the ordinary. The house offers a farmhouse feel with its LVP flooring, open concept living, center island kitchen & a private primary suite with a huge walk in shower. The 3 guest rooms are on the opposite side of the house for privacy. The property offers room for horses, livestock, gardens, hiking trails & freedom. Don't miss out on this true country living experience.
