Welcome to 705 Rathall Creek Dr, showcasing the highly sought-after Drayton floor plan in The Marshes at Cooper River. Perfectly positioned across from a beautifully landscaped community green space, this home enjoys an open, park-like setting that enhances curb appeal while providing peaceful views and a greater sense of privacy. This impeccably maintained 3-bedroom, 2.5-bath home offers just over 1,900 square feet of thoughtfully designed living space with an open-concept layout that feels even larger. As one of the community's Phase I homes, it features durable cement plank siding, a premium upgrade no longer offered. Inside, rich hardwood floors flow throughout the main level, complemented by abundant natural light, upgraded lighting, and ceiling fans throughout. The chef-inspired kitchen boasts granite countertops, stainless steel appliances, 42-inch cabinetry, soft-close drawers, a spacious pantry, and a large center island with pendant lighting--perfect for entertaining or everyday living. A well-appointed laundry room with additional cabinetry provides extra storage and convenience. Upstairs, a versatile loft separates the spacious owner's suite from the secondary bedrooms, creating added privacy. The owner's retreat features a tray ceiling, walk-in closet, and an en-suite bath with dual quartz vanities and a large tiled walk-in shower.
