Lowcountry Tranquility Meets Coastal Convenience. Located in the popular Edisto Oaks neighborhood. Experience the ultimate blend of peaceful privacy and coastal living in this stunning 3-bedroom, 2.5-bathroom Lowcountry retreat built in 2023. A charming, full front porch with dual ceiling fans welcomes you into an airy, open-concept main floor adorned with durable luxury vinyl plank (LVP) flooring. The heart of the home is a chef-inspired kitchen featuring pendant and recess lighting, premium quartz countertops, crisp white soft-close cabinetry with elegant crown molding, a central island with breakfast seating, and stainless steel appliances. Bathed in natural light, the adjacent dining area transitions seamlessly to a main-level primary suite, complete with a massive walk-in closet and a spa-like en suite bathroom featuring quartz vanities. Upstairs, find two additional sizable bedrooms with excellent closet space and a shared full bath. Outdoor living is unmatched: unwind in the magnificent screened porch boasting cathedral ceilings, or host gatherings on the expansive 14x14 grilling deck. A secure wood fence is ideal for pets, while the spacious property extends beyond the fence line beneath a canopy of mature, shady trees. A stone pathway connects to the detached 2-car garage. Premium infrastructure includes a dual HVAC system, a
