Welcome to this rare opportunity: offered for the very first time by original owner, this incredible light-filled home combines classic charm, major system updates and an unbeatable private lot in the Veranda section of highly sought-after Belle Hall. Step through the front door into a grand two-story entryway where soaring 18'+ ceilings greet you and carry through to the bright and airy great room anchored by a wood burning fireplace. The home exudes natural light throughout offering a bright and open floorplan that includes a large dining/formal living room space and spacious kitchen with a wall of windows overlooking the beautiful back yard. The spacious primary suite is conveniently located on the main level, offering a quiet retreat away from the rest of the home. Upstairs, an open catwalk leads to two additional bedrooms with newly upgraded modern luxury vinyl plank flooring and full bath. Across the catwalk, you'll find an oversized finished room over the garage (FROG), ideal for a home office, media room, flexible playroom, or 4th bedroom (with addition of a closet). The home offers an abundance of storage throughout. Outside, your private sanctuary awaits. Framed mature landscaping surrounds the vast yard, creating privacy alongside thriving citrus trees, elderberry, and sweet blueberry bushes. Enjoy complete peace of mind with
