Experience the beauty of Folly Beach from this oceanfront retreat with panoramic Atlantic views and private beach access just steps from the back door. Thoughtfully designed for coastal living, the home features an expansive covered deck that invites you to start the day with a sunrise over the ocean, gather with friends in the sea breeze, or simply enjoy the sound of the waves. Inside, the open living and dining areas are filled with natural light and framed by spectacular water views, creating an inviting space for entertaining and everyday living. The kitchen overlooks the ocean and connects seamlessly to the main gathering spaces, while multiple living areas offer flexibility for relaxing, hosting guests, or spending time together after a day on the beach. The oceanfront primary suite is conveniently located on the main level and features direct access to the deck, a private ensuite bath, and stunning sunrise views. Additional bedrooms and bonus spaces provide room for family and guests, along with the flexibility for a home office, bunk room, or media space. Located approximately 9.5 blocks from Center Street, this home offers easy access to Folly Beach's favorite restaurants, local shops, the Folly Beach Pier, and endless opportunities for surfing, boating, paddleboarding, kayaking, fishing, and dolphin watching.
