Welcome home to this beautifully updated, move-in-ready townhouse that perfectly blends modern convenience with comfort. As you step inside, you are greeted by a spacious great room and dining area featuring a stylish ceiling fan, recessed lighting, and elegant crown molding. Fresh, contemporary luxury vinyl plank (LVP) flooring flows throughout the entire downstairs level, complemented by smooth ceilings across the entire home. The kitchen was updated in 2022 and boasts crisp white cabinetry adorned with crown molding, a charming above-cabinet display area, and a suite of appliances including a dishwasher, electric range, and built-in microwave. Nearby, the convenient laundry room offers extra cabinet storage and leads directly into a versatile sunroom. Converted from a screened porch, this bright space showcases a vaulted ceiling and a custom built-in bench. A tastefully updated half-bathroom completes the main floor. Upstairs, the layout features an ideal dual-primary bedroom configuration. The first primary suite offers a ceiling fan, dual closets, and an en suite bathroom with LVP flooring and a tub-and-shower combination. The second primary suite serves as an equally impressive retreat, complete with a ceiling fan, a large walk-in closet, and a private bathroom featuring a standalone shower. The outdoor living space is perfect for
