4 Bedrooms | 3.5 Bathrooms | 2,864 Sqft

Stunning new construction on Johns Island, ready August 2026! This 2,834 SF home offers 4 bedrooms and 3.5 baths across three thoughtfully designed levels, with living space on every floor. The main level features an open-concept living, dining, and kitchen area with quartz countertops and a covered deck, plus a spacious primary suite. Enjoy the ease of durable LVP flooring throughout, elegant tiled bathrooms with herringbone and hexagon tile accents, and modern black fixtures. The third floor's bunk room offers flexible space perfect for guests or play. Situated on a private homesite backing to wooded acreage that will never be developed, this home offers rare, lasting privacy just minutes from all the charm of Maybank Hwy. With its flexible layout and quality finishes, this home would also make an incredible short-term rental investment. Don't miss this Johns Island gem!
