\$1,750,000

4 Bedrooms | 4.5 Bathrooms | 3,502 Sqft

Thoughtfully designed for entertaining, and multigenerational living, this meticulously maintained home features a three-stop elevator, dual primary suites on the first and second levels, a heated saltwater pool, whole-house generator and dehumidifying system, and approximately 750 additional square feet of heated and cooled entertaining space on the ground level. The flexible floor plan is ideal for long-term living or extended guest stays. Perfectly positioned on one of the neighborhood's more private homesites, the property overlooks a tranquil neighborhood pond with wooded views that create a private, peaceful setting. Inside, the open floor plan showcases upgrades throughout. The kitchen was updated in 2025 with quartz countertops, shaker-style cabinetry, and custom hardwa
