Welcome home to this spacious and versatile property offering room for everyone! Featuring two possible primary suites, this home provides exceptional flexibility for multi-generational living, guests, or a private owner's retreat. The original primary bedroom is conveniently located on the main floor with its own en suite bath, while the expansive upstairs addition boasts a huge space complete with a large en suite bathroom. The inviting living room showcases beautiful wood laminate floors and opens seamlessly to the kitchen and breakfast area, creating a warm and functional living space. The kitchen features butcher block countertops, stainless steel appliances, and plenty of charm. Just off the kitchen, you'll find a generous laundry and utility room with convenient exterior access to the backyard--a great flex space that could serve as a pool room, workshop, or hobby area. Just imagine the backyard oasis you could create with all the space this oversized yard has to offer! An additional dining area with a striking brick accent wall provides the perfect space for entertaining, while the enclosed sunroom overlooks the oversized backyard and paver patio--ideal for relaxing, grilling, or enjoying the outdoors. The expansive upstairs addition also offers exciting possibilities beyond a primary suite. With its generous footprint and private feel, it may be well-
