4 Bedrooms | 3 Bathrooms | 2,050 Sqft

Situated on a desirable corner lot, this beautifully updated brick home offers the perfect blend of charm, functionality, and outdoor living, complete with a stunning heated saltwater mineral pool and the rare convenience of dual primary suites--one on each level. Step inside to a welcoming foyer that opens to a warm and inviting family room featuring a classic brick fireplace, custom built-in bookcases, and picturesque views of the private backyard oasis. The light-filled kitchen is thoughtfully positioned just off the dining room and flows seamlessly into the family room through a charming cased opening, creating an ideal layout for both everyday living and entertaining. The main level also includes a spacious first-floor primary suite featuring its own private exterior entrance. Ideal as an in-law suite, guest quarters, or potential income-producing space (buyers should verify permitted uses with the city), this flexible space offers endless possibilities. On the other side of the home is a private bedroom and full bath. Upstairs, you'll find a second primary bedroom, along with another generously sized bedroom that share a beautifully updated full bathroom, providing plenty of room for family and guests. Meticulously maintained, this home also features a new roof (2026) and newer HVAC systems (2025 & 2026), offering added peace of mind. Conveniently
