3 Bedrooms | 2.5 Bathrooms | 2,800 Sqft

NO HOA! This move-in ready home sits on a spacious lot just minutes from downtown Walterboro. With three bedrooms and 2.5 bathrooms on over half an acre, the property offers comfort and flexibility for any lifestyle. Enjoy charming details like brick flooring, a fireplace, detailed moldings, and a wood-burning stove. Three versatile flex areas provide plenty of space to relax, entertain, or work from home. The large kitchen features granite countertops, a gas stove, built-in microwave, and a generous island--ideal for family gatherings. In the living room, you'll find durable bamboo floors, a tray ceiling, a fireplace, and abundant natural light. There are dual owner's suites: the expansive primary bedroom includes an ensuite bath with double vanities, a spacious closet, a sitting room, and its own private back porch. The second downstairs bedroom also features a private bathroom and a large closet. The fully fenced backyard offers ample space for entertaining, recreation, or storing work vehicles and equipment in the two oversized driveways. Enjoy being just minutes from shopping, restaurants, and attractions like the Colleton County Library, local trails, and playgrounds. Major updates in 2021 include a new HVAC system, TPO roof, and gas lines for added peace of mind.
