A home that says welcome! The feeling you get when you walk through the front door. Details make the difference. You'll appreciate the one owner care and pride reflected in this home. Enjoy nature's beauty from the patio with the beautiful yard. An extra feature is the one car detached garage with a workshop. Spacious floor plan with three bedrooms, two full baths, family room with a buck stove insert, and eat-in-kitchen. The finished room over the garage could be a fourth bedroom. There is a room off of the laundry room that could be an office. The windows were replaced in 2007. A must to see.
