Welcome to Long Face Farms! Set on approximately 8.3 peaceful acres in Cottageville, this 3-bedroom, 2-bath home offers privacy, space, and versatility in a setting surrounded by mature grand oaks, fenced acreage, and a long private drive. The property is loaded with useful outdoor improvements, including a detached 2-car garage with workshop and storage space, an open-air outdoor kitchen with covered seating, and three detached barns that provide multiple stalls, tack/feed space, hay and loft storage, and additional room for animals or equipment. One of the barns features beautiful cypress wood construction. There is also a finished detached flex building with electricity, heating, cooling, and space that can be used as an office, studio, hobby room, recreation space, and more! Inside, the home offers a comfortable single-story layout with an eat-in kitchen, generous living space, and a primary suite with a walk-in closet and updated shelving. Horse fencing, private well and septic, and PRTC fiber-optic internet add even more functionality to the property. Whether you're looking for an equestrian setup, workshop space, room for equipment and hobbies, outdoor entertaining, or simply a quiet place with acreage and character, Long Face Farms offers a rare combination of country living and usable improvements already in place.
