Cute as a button! This quaint Creekside cottage will wash your stress away. This 60's fishing cottage was lovingly updated with modern conveniences. Enjoy sitting on the screen porch and watching the tide rise and fall, listening to the sounds of pluffmud and watching the egrets and other wildlife. Metal roof and old original windows add charm. If you are looking for new construction- move on- this property pulls you back in time when life was simple- and it is on Edisto Island. Enjoy fresh fruits and vegetables at local markets, fresh local fish all within a few miles. As if that was not sweet enough, 5 minutes and you are at a great beach. Beautiful oak trees create a beautiful setting for a slower way of life. Outdoor shower, too! Owner is SC Real Estate Broker
