4 Bedrooms | 3 Bathrooms | 2,249 Sqft

Proposed construction on a stunning half-acre tidal creek homesite in the established and highly desirable Seaside Estates on James Island. Experience the best of both worlds--brand-new construction in a mature neighborhood, with no construction happening around you and a beautiful Lowcountry backdrop of tidal creek and marsh. The Roxy offers 4 bedrooms, 3 baths and 2,249 square feet, including a first-floor primary suite and first-floor guest bedroom with full bath. Enjoy an open-concept kitchen, dining and living space, covered porch and elevated Gold Standard finishes. Spend your days on the water from the private community boat ramp, then enjoy the incredible convenience of being just minutes from Folly Beach and historic downtown Charleston.
